July 2017 Newsletter

**Complete our short questionnaire
for a chance to win £100!**

Over the summer the Bridport Prize is conducting research to find out more about the writers who enter our competition - and also those who don't - and your views. We want to make the experience of entering as straightforward as possible and we welcome your thoughts and ideas.

Everyone who completes the survey by **Sunday 13 August** will be entered into a prize-draw for the chance to win £100 and a copy of the 2017 winners' anthology when it is published in October.

We would like as many people as possible to respond to get a wide range of views. It will take you less than five minutes! We are very grateful for your help and time.
